ORDER DISMISSING PROCEEDING
(May 15, 1997)

Complainant has moved to dismiss this action, because the parties, including the charging parties, have entered into a Settlement Agreement and General Release (Settlement Agreement) which disposes of all the issues in this case and have agreed to the dismissal of the action. Complainant has attached the Settlement Agreement to its Motion to Dismiss.

The OCAHO Rules of Practice and Procedure provide that when parties or their authorized representatives enter into a proposed settlement agreement, they may submit to the Judge either a proposed agreement containing consent findings and a proposed decision and order or notify the Judge that the parties have reached a full settlement and have agreed to the dismissal of the action. 28 C.F.R. § 68.14(a).

In this case, the parties have not submitted consent findings. However, the parties have reached a full settlement, which resolves all disputed issues. Therefore, pursuant to 28 C.F.R. § 68.14(a)(2), the Motion to Dismiss is granted, and this case is dismissed with prejudice.
